Program

- Summer camp recap – Mike Hussar will send home a letter summarizing summer camp and with current announcements, Devon was a big help as ASM, the first year patrols did very well with camping and advancement AND the Pink Panthers won both the pancake and goulash cook offs.
- The first troop meeting of the year will be a family potluck with the troop providing meat dishes on Monday, the 28th of August at Bush Park. The pavilion has been reserved for the event in case of inclement weather.
- Mr. Hussar presented the proposed troop calendar with a few items yet to be finalized.
- There will be a PLC meeting to discuss the troop meetings including: meeting themes, service patrol, and program
- Skill-O-Rama – There may be up to 6 troops and a gourmet cooking contest among the troops. Turkey dinner with the turkeys cooked on site and each troop providing the side dishes and deserts for all on Saturday night was discussed. It is a great idea! This year with the expansion by up to five troops and a venture group and the unknown numbers of Webelos pairs the logistics and coordination seemed like too much to pull off. The SPLs and SMs will discuss and plan for next year.

Other Items

- Popcorn dates will be on the troop calendar. Mrs. Dagenais will attend the dinner and get info for the Troop.
- Mr. Miller suggested that we may be able to raise money by helping people unload and setup during Art at the Center. He will check and report back to the committee.
- When details are available the troop will offer g-mail email to members for troop correspondence.
- Dennis Weston requested that two stoves and griddles be used under his supervision for the annual Podunk House event. Use was approved by the committee.
- Mr. Mike Adams will continue as the first year ASM. Dr. John Waters will become the Venture ASM.
