Scout Sunday Church Service and Pancake Breakfast – 05Feb - The twelfth point of the Scout Law is “A Scout is Reverent”.

Being reverent means many things but within the Boy Scouts it starts with a personal belief in God and a strong respect for the religious beliefs of others. Our troop is sponsored by the First Presbyterian Church of Fenton - on February 5th, we will have an opportunity to live up to the twelfth point of the Scout Law in the 2 ways:

(continued)

Scout Sunday Church Service and Pancake Breakfast - continued

- 1) All Scouts are expected to attend the 11:00 A.M. service, in full uniform. You might make whatever arrangements you need to fulfill your own religious responsibilities either beforehand or afterward if attending this service does not fulfill your personal devotional requirements.

Because of the importance of this particular point of the Scout Law as well as the importance of showing appreciation to our sponsoring organization, Troop 219 weighs participation in this particular activity heavily in considering the “scout spirit” advancement requirement for all ranks.

- 2) We will hold pancake breakfast at the church, serving from 8:00am – 10:30am, and then again after the 11:00am service. Scouts will cook, serve and clean up (and you will be fed also).

Chief Pontiac Trail – this is a 2 day backpack trip to be held on the weekend of 28Apr – must be 1st class and 12 years old by the time we go. It takes place locally in the Highland State Recreation Area near Milford, Michigan.

We will train for this and help you get geared up. It’s a challenge and quite an accomplishment to have completed – Chris Shaw, Noah Bauer and John Galvin have done this trek in the past

Life to Eagle Seminar – Next opportunity is in 16Feb at 7p.m.
