Family Video Movie Club, parent company of our own Fenton Family Video, is working to show a sincere 'thank you' to our troops overseas, for their dedication to our Country's safety and freedoms, by promoting:

Operation: Entertain the Troops

I am working with Fenton Family Video to send DVD's to our Troops overseas by supporting their **"Operation: Entertain the Troops"**.

We all have that stash of DVD's sitting around. Please bring whatever DVD's you can part with, to any Troop 219 meeting during the month of January. New DVD's are welcomed as well!

You can add a personal touch to your donation with a hand-written note for the troops to read. Please attach the notes to the DVDs you donate.

In early February I will be meeting with the manager of Fenton Family Video to arrange for shipping whatever we collect to a local military base for transportation overseas.

This program was spearheaded by one manager of a Family Video. It was so successful, that the chain has promoted it at nearly every branch.

Thank you for your support of this project and for supporting our troops overseas!

If you have any questions about this project, please contact me.

Sincerely,

Mike Wisniewski
